

Deposit	The fee of £400 is your deposit and secures your wedding date. Without a completed Booking Form and payment, the date is not secured. tfp will return in kind with a written receipt. This secures your date. You can change your mind within 14 days from the date of signature. Thereafter the deposit is refundable at tfp's discretion.
2nd Payment	Due seven days prior to you wedding date, the balance of the chosen package booked becomes due. Cheques payable to tfp Ltd, or debit card payment. Thank you.
Prices	Due to the nature of Weddings and the fact that couples book up many months in advance of their wedding day, tfp will honour all bookings and prices up to 2 years prior to the date of the wedding. Likewise, prices are honoured for up to 1 year after the wedding date. Thereafter all prices are as per the current price list.
Cancellations	Within 100 days of your wedding date, should you need to cancel the booking, tfp reserve the right to charge for the balance of the package owed. At the same time, tfp will endeavour to take a replacement booking, & if this is the case no invoice will be issued.
Return from Honeymoon	Please contacted Tim, where possible, an overnight courier to deliver to an address of your choice. The parcel will be delivered by 6pm during a week day and will need to be signed for. Digital weddings take a while to process out, so please do not expect the pictures to be ready within 5 weeks. Times vary throughout the year.
Time scales	tfp require that all Wedding Book and albums be ordered within 20 months of the wedding date. Thereafter, I regret a surcharge of 10% is levied. Reprints are as per the current price list at the time of placing the order.
Completed albums	On completion of your order, we will contact you for any possible outstanding payments that may be owing & dispatch your order to you. Please note that November & December can prove problematic, so allow extra time during these months.
Feeding	Please provide a hot meal for your photographer. Failure to do so incurs a fee of £35.
Illness	tfp will provide a photographer for you should there be an illness or events beyond tfp's control which prevents your chosen photographer from photographing your wedding. This is a rare occurrence, but you should be aware that tfp's liability in such an event is a full refund. However, we will make every possible effort to fulfil our obligations to you on your wedding day, but there are times when a selected photographer simply may not be able to make the wedding and then it falls to tfp to suggest viable alternatives. If these are unacceptable to you, a full refund is the limit of our legal obligation.
Transfer of dates	If you need to transfer a booked wedding date to an alternative date, should tfp be available, then this is a straight forward matter with no complications. If however, we are not available then this is considered a client cancellation.
Force majeure	"Circumstances must be abnormal and unforeseeable, so that the consequences could not have been avoided through the exercise of all due care". In the event of total photographic failure for any reason beyond tfp's control thus preventing your photographer fulfilling their obligations under the contract then the limit of tfp's liability shall extend only to the refund of all monies paid to date.
Creative License	This is deemed to be granted to your photographer by the very nature of booking tfp to photograph your wedding. Every effort will be made by both sides, both at meetings and in pre-wedding discussions plus during the wedding day to best fulfil the photographic brief. Both parties are requested to communicate their wishes and ideas to the best of their abilities and voice all concerns, instructions & requirements where necessary.
Copyright	All images taken in the course of the wedding remain the copyright tfp. tfp reserve the right to use any images for self promotion, editorial or commercial uses unless instructed otherwise. If there are objections to this last sentence, make it known and no images will be used in any self-promotional material.
